

ATV/RAZOR 2 Day/1 Night

The day of departure you will need to meet at Adrift Adventures at least 15 minutes before the departure time to check in for the ATV trip. At our office you will receive instructions regarding the trip. Return times are approximate and may vary.

The Moab topography consists of a mix of slick rock, rocks, sand, gravel, and dirt. You can blaze through river crossings, traverse along cliff bands, and navigate over drops, steps, and jumps. The area has miles of trails, most of them existing for decades, many forged out by uranium miners in the boom days of the 1950s. Traverse incomparable trails, witness stunning scenery, spot spectacular overlooks and vistas.

Take a journey in time, exploring the backcountry of Moab and the La Sal Mountains. We supply sleeping bags, tents, meals from lunch day 1 through lunch day 2, helmets, gloves and ATV. This trip offers the perfect solution for those wanting to experience the wilderness in a remote location. Millions of years of geology and sightings of wildlife create an awesome experience. Return time the second day is approximately 4:00 p.m.

We Provide: ATV/Razor, DOT approved helmets, gloves, goggles, and water bottles, meals (lunch, dinner, breakfast, and lunch), and camping gear (sleeping bags, tents)
