

CATARACT CANYON TOURS

3 DAYS & 2 NIGHTS

Thank you for choosing ADRIFT ADVENTURES! We are happy to share Canyonlands National Park and the Colorado River through Cataract Canyon with you.

We take great pride in our equipment, as it's the finest in the business. Our boats are designed for passenger comfort and safety and our food is known for being among the best on the river! Juicy steaks, barbecued chicken, halibut or salmon, stir fry, fresh salads and more. Our experienced and friendly guides are proud to be your hosts and they will help provide a vacation you'll talk about and remember for years to come.

There is a mandatory physical check-in the evening before your trip, after 5:00 p.m., to pick up your river bags and camera box. Our office is open until 8:00 p.m. each evening and is located at 378 North Main Street in Moab. Our phone number is 435-259-8594 or you may call toll free at 800-874-4483. Meeting time the morning of the trip is 7:15 a.m. Rocky Mountain Time and a departure of 7:30 a.m.

We schedule one river guide for every eight guests, to ensure comfort and safety. This trip offers some of the wildest whitewater during the months of May through June and into July. From July through October, the river calms itself with lower waters; but by no means is it placid! Please be aware that water levels fluctuate yearly and it is difficult to determine exact water flows during departure weeks. This trip is on a motorized J-Rig: This is one of the smallest motor vessels used on the river. This, specially designed, boat allows for safe and exciting rides at all water levels.

Day 1: Meet at Adrift Adventures at the Moab office, **378 N. Main** at 7:15 am and depart at 7:30 a.m. Leave your vehicle in our parking lot and be transported to the river put-in via Adrift Adventures. Your first day will cover the flat waters of the Colorado River. There will be a few hikes ranging from five minutes to half an hour, to break up the day. You'll visit ancient Anasazi ruins, pictographs and petroglyphs over a thousand years in age. Camp is located on the banks of the river; you're welcome to visit our library on the river or partake in horseshoes, volleyball or a little backgammon.

Day 2: The rapids of Cataract Canyon! Big Drop, Mile Long and numerous others await your arrival. You'll have plenty of stories to tell as you spend another night camping on the river's bank.

Day 3: We will motor through Lake Powell, with intermittent swim breaks and lunch. The trip will end at Hite Marina in the early afternoon. Chartered transportation awaits your arrival and you'll be back in Moab approximately 3:00 to 4:00 p.m. There is an optional return flight (50 minutes) or return van ride (2.5 hrs.), both will get you back to Moab.

Our crew offers a chance to explore the regions of Canyonlands and Cataract Canyon. Each trip is different, as we have people join us from all over the world. You'll make new friends and establish a relationship with the river's romance.
