Tour Description:

Our experienced and knowledgeable guides will show you a part of Canyonlands National Park seldom visited/ seen by other visitors on their own. Our guides will show you how much of Canyonlands' beauty is tucked away beyond the main paved roads. You'll witness breathtaking views while learning about the ancient history of people who inhabited the area over 1000 years ago. There are ample photo opportunities, so be sure to bring your camera. Be amazed by the mazes of side washes and canyons formed after thousands of years of erosion. Witness the natural marvels hidden from the roads, when you experience Canyonlands National Park via a 4x4 tour.

Vehicle Type:

We run our guided backcountry tours in our recent model Jeep Wranglers, which will comfortably seat 4 passengers plus our guide. Jeeps are equipped with air conditioning for your touring pleasure.

Sample Itinerary:

Meet at our office located at 378 North Main Street in Moab, Utah. The tour will set out heading south from Moab on US 191. We will continue on US 191 until we reach the access road into the Needles District of Canyonlands National Park. Once inside the national park your guide will take you on a scenic tour that will explore the wonders of the Needles District of Canyonlands. Lunch is provided on this tour. To conclude this excursion your guide will bring you back to the Adrift Adventures office in Moab.
