

WESTWATER CANYON 2 DAY/ 1 NIGHT

Thank you for choosing ADRIFT ADVENTURES! Our Westwater Canyon Raft Trip is the best short whitewater trip available in the West. This legendary canyon of powerful rapids and outstanding scenery is highly respected by river runners and professional guides alike. Westwater Canyon is one of the finest examples of "The Mighty Colorado." Our food is known for being among the best on the river! Juicy steaks, barbecued chicken, halibut, salmon, stir fry, fresh salads, and much more will tantalize your taste buds throughout your stay. Our experienced and friendly guides are proud to be your hosts and they will help provide a vacation you'll talk about and remember for years to come.

In Westwater Canyon the Colorado River is funneled into a narrow corridor of black polished shist overlain with red sandstone cliffs. Not only is the canyon spectacular, but the rapids are a blast. Funnel Falls, Skull, Sock It To Me, and several more rapids come one after the other in an intense and rollicking expedition that brings out the bronco rider in all of us.

Above and below Westwater the river meanders serenely through red rocks and you're invited to join us for a two or three day trip. Eagles sail over canyon walls and the thickets along the stream banks are as beautiful and relaxing as the rapids are exciting.

There is a **mandatory** physical check-in after 5:00 p.m. the evening before your trip, to pick up your river bags and camera box. Once on the Colorado River, you will receive a river orientation and meet your other guides and fellow guests. The first part of this adventure places you in the midst of stark and dramatic desert landscapes.

Today is a lazy day on the river as you adjust to the relaxed pace. You'll stop to hike as well as for lunch where you'll create your own deli masterpiece.
