

## **CANYONLANDS BY JET BOAT**

- **3-Hour or 1-Hour Scenic Jet Boat on the Colorado River**

**Not in national park**

- Step aboard the D. Julien for your trip into the canyon country of southeast Utah! Named after the first European known to visit the Green and Colorado rivers and what are now Arches and Canyonlands National Parks, our powerful jet boat will allow you to explore the river canyons between Moab and Canyonlands National Park (does not go into the National Park). Soaring canyon walls, towering cliffs of a thousand hues, and always, the quiet majesty of the great river provide the background.
- Herons and egrets stalk the beaches and sandbars, ravens and eagles soar overhead. Deer, beaver, porcupines, and even bobcat and bighorn sheep may be seen along the river banks. Learn the history of the area - "wildcat" oil drillers, ranchers, and early steamboat ventures. Pause now and then for an easy stroll to points of interest and, on full-day trips, for an elaborate picnic lunch served to leave an indelible impression. Be sure to bring your camera, because the scenery is definitely worth it!

**To Be Aware Of:**

- To make sure that these locations are still available for future generations to enjoy please follow the Adrift Adventures motto of “See it as it is...Leave it as it was.”
- Do not touch, climb on, remove, or disturb, in any way, any of the Indian ruins, pictographs, or petroglyphs that you may encounter on your adventures. Treat them just as you would treat an exhibit in a museum, because that is exactly what they are!
- “Pack it in, pack it out.” Be sure to pick up any trash that you may drop, we want to leave the area as pristine, if not more so, than the way we found it.
- Please keep in mind that all return times are approximate and may vary due to water levels, road conditions, and any other unforeseeable events.
- All trips meet and depart on Rocky Mountain Time – be sure that if you are traveling from out of state that you make sure you are on the correct time zone.
